OHM PIPES, Symbol of Trust

About Us:

Founded in 2013, OHM Pipes Pvt. Ltd is an acknowledged leader of India's plastics industry. Handling volumes of over 320 tonnes of polymers annually effectively makes the one of the largest PVC &HDPE processors in North Odisha region. The factory site is at Somnathpur Industrial area developed by IDCO, Govt. of Odisha. Not surprisingly, we also offer the widest and most comprehensive range of PVC &HDPE products in India.

Our advanced plant is powered by technology from world leaders, and complements our extensive facilities for R & D and new product development. In fact, Supreme is credited with pioneering several products in India. The company has forayed into different types of plastic processing in Injection Moulding, Rotational Moulding (ROTO), Extrusion, Compression Moulding, Blow Moulding etc.

2020-21 will see OHM Pipes will have a turnover almost double than last year. Proud to be part of the Vocal for Local, Make in India Product.
